- Compulsory Refresher Courses for Returning Referees in 2020
Mon 10-Feb-2020 19:16
Refresher courses are compulsory in 2020 due to changes to the Laws of the Game. You will not be appointed to games unless you have attended a refresher course. Courses will be held at Epping Boys High School and Christie Park. Referees are encouraged to attend the course at Epping Boys High School as we can accommodate more people at that venue. Courses at Christie Park are limited to 50 people allocated on a first in basis. Click more to see course dates and please complete the Google form to indicate which refresher you will be attending. ...more
- Registration is now open

5. Check that you have signed on correctly ... your username will be displayed under the logo if you have signed on correctly.

The screenshot shows the North West Sydney Football Referees Association website. At the top, the logo is circled in green, and the text 'Ref: ppariks' is displayed below it. A green arrow points from the text to the logo. The main content area features a 'Latest News' section with three articles: 'Compulsory Refresher Courses for Returning Referees in 2020', 'Registration is now open', and 'Summer Football Send Offs and Incidents'. A left-hand menu is visible, containing links for Home, News, Major Events, Appointments, Library, Forum, Committees, Contact Us, Guestbook, Links, Newsletter, Archives, and Feedback. Below the menu are 'Sign On' options: My details, Ref Sign Off, and Admin Sign On.

6. Use the left hand menu to navigate the website.

7. Click  to return to the front page.

8. Click **Ref Sign off** to leave the website. This is important for security.

This screenshot is similar to the first one but highlights the 'Ref Sign Off' button in the left-hand menu with a red circle and a red arrow. The main content area remains the same, showing the 'Latest News' section with the same three articles. The top navigation bar includes the date 'Sunday 16th February 2020, 3:10pm' and links for 'Search | Support | Samson Newsletter'.
